Farewell Letter Pastor Brenda Harcourt

Family of Faith,

It is with a heavy heart that I am cleaning out my office and packing up my belongings and heading out of CLPC and Florida.

It is with joy in my heart that is full of memories and struggles we have dealt with together.

This mixture of feelings has been the last week for me. Trying to take care of all the things that need to be taken care of but making sure everything is “decent and in order” for a smooth transition.

I have enjoyed the love and concern that all of you have given me as a “pew sitter” and as your Bridge Pastor. I will always hold all of you in my heart. You know family is something that you deal with. They are family no matter what and it’s sad when some move away and it’s fun when we gather together to celebrate. Family is what you get when you care so deeply for people, that you hurt together and laugh together.

THANK YOU THANK YOU THANK YOU

The reception was incredible. I could not believe how many of you came to wish me well and give me a hug. Your outpouring of gifts of love was overwhelming to me. I was concerned that all you would remember was my rules I had to set in place for us to get out of the muck we were in and move on to healthy place in our faith journeys as a family of faith.

Keep looking forward. Don’t look back, that’s not the direction you want to be going. Keep loving and caring for each other and some Sundays just give each other a hug. I’ll be there in your hearts and you in mine.

Blessings of Peace and Love

Brenda
